Living zone is open plan and comprises the kitchen, family and dining areas. This already large light filled area can be further extended to the impressive alfresco area creating ideal indoor/outdoor living! A feature in itself, the kitchen showcases beautiful Caesarstone benchtops, stainless steel appliances, soft close drawers, island bench/breakfast bar, five burner gas cooktop and an abundance of cupboard space. There is also an additional living area that could be utilised as a study creating ample room for the whole family.
